Men and women have completely different ways of dealing with a problem. Sometimes giving each other advice is the worst thing that could happen. And sometimes the worst thing that can happen is the best thing that can happen. One thing for sure: when men and women give each other advice, it makes for a great comedy!

The title says it all. It's a madcap farce with the door-slamming zaniness you've come to love. (Due to the age of the actors, there will be no jumping over inanimate objects, or raising of arms above their heads for extended periods of time.) This is the one you've been waiting for.

All Nancy wants is for her two families to come together and get to know each other over Christmas dinner. Her grown children and her new boyfriend's grown children are invited. Will anyone show up for the turkey dinner? And if they do show up, will there be "peace on earth good will," or will the police arrive to cart them off to lock-up? It's Christmas at Rainbow... what could go wrong?
